Instructions to Candidates:

- 1) The Mock Exams are conducted as a simulation of the Final Exams conducted by the University of London
- 2) Do arrive at least 30 minutes before your examination is due to start.
- 3) Do take the following items only into the examination room:
 - Pens (ink or ballpoint)
 - Statute Books
- 4) Do listen carefully to all announcements given before your examination begins.
- 5) Do comply with all invigilator requests.
- 6) You are not permitted to use your mobile phones, electronic devices, including smartwatches, fitness bands or music players during the exams.
- 7) Do not keep anything in your pockets.
- 8) Do not bring any food or drink, other than a bottle of water in a clear container.
- 9) Do not communicate with any other student during the examination, for example by talking, signalling or passing information.
- 10) Do not bring any books, notes, papers including but not limited to scrap papers, instruments or materials of any description into the examination hall. You must only write in your answer script. This includes rough work which should be crossed through before submitting.
